## **WESTWORTH VILLAGE CELEBRATES 75 YEARS**

The City of Westworth Village will celebrate 75 years of Independent Incorporation this year! The planning committee is hard at work putting together a series of events to showcase the past, present, and future of Westworth Village. Please contact Samantha at 817-710-2535 with ideas for the 'time capsule' or volunteer participation. Mark your calendar for the events listed below:

### **Tuesday, September 20<sup>th</sup>**

#### **8:00 am – Golf Tournament at Hawks Creek Golf Course**

This event will highlight the role Carswell Air Force Base played in our past and provide a present day look at our beautiful golf course. In addition, the future will be on display with demonstrations of the latest golf technology.

### **Saturday, September 24<sup>th</sup>**

#### **7:00 am – Fun Run**

Anytime Fitness will sponsor this event, which showcases the City's natural landscape, amazing waterfall, and possibly a peek at future developments. While the route has not been finalized, it will take place along the TRWD trail system and potentially wind through a few neighborhoods, incorporating the new walking and biking trails.

#### **2:00 pm – Car Show**

Take a walk through time in the evolution of transportation. This event will take place in the Sam's/Walmart parking lot and is sure to draw a crowd.

#### **5:00 pm – An Evening on the River - Block Party**

Bring your lawn chairs, pack a picnic or purchase dinner from one of the food vendors we are working to secure, and enjoy some great fun on the bank of the Trinity River behind Burton Hill Elementary School. We are planning for live music, entertainment, and several children's events hosted by the YMCA. We will cap-off the evening with a live fireworks show.

### **Friday, December 16<sup>th</sup> Time Capsule Sealed and Buried**

On this date in 1941, the City was named Westworth Village. The committee is accepting ideas for items to be included in the time capsule that will be buried on City property, to be opened in 25 years - on December 16, 2041, our 100<sup>th</sup> anniversary! The capsule will include photos and other items collected, as well as sponsorship information from the September 2016 events.

Updates will be posted to our city website and monthly newsletters.
