## **INDEFINITE WATER RESTRICTIONS**

In 2013, Fort Worth implemented indefinite water restrictions to reduce outdoor watering, which can account for as much as 50 percent of the daily residential water used during the summer. Between 10am and 6pm daily, City Code of Ordinance Article 13.07.032 prohibits irrigation by underground or portable sprinkler systems. Individual efforts make a difference in sustaining and protecting our communities, water supplies, land, and air.

### **Watering schedule is as follows:**

Monday	-	No watering allowed
Tuesday & Friday	-	Non-residential sites (apartments, businesses, etc.)
Wednesday & Saturday	-	Residential addresses ending in 0, 2, 4, 6, 8
Thursday & Sunday	-	Residential addresses ending in 1, 3, 5, 7, 9

We will have a prize for the member who guesses the most items. Also, check out our updated web page at [www.cityofwestworth.com/library](http://www.cityofwestworth.com/library).

## **POSTAGE STAMPS DECREASE APRIL 10, 2016**

You read that correctly. First class stamps will decrease from 49 cents to 47 cents, ending a two year agreement to help recover losses by the postal service. The price of a stamp last dropped from 3 cents to 2 cents in 1919. Woodrow Wilson was President, World War I ended, the 19th Amendment was passed by Congress allowing women the right to vote, and the Grand Canyon National Park was formed.
