National Peace Officers' Memorial Day and Police Week

Sunday, May 13th—Saturday, May 19th

Each year, our Nation recognizes May 15th as Peace Officers' Memorial Day, and the week in which May 15th falls as National Police Week for those who, through their courageous deeds, have either lost their lives or have become disabled in the performance of duty. We remember and commemorate all police officers for their faithful and loyal devotion to their responsibilities, dedicated service to their communities, and their help to preserve the rights and security of all citizens.

High Grass Season

The City would like to remind our citizens of the importance of maintaining their yards. Please do not allow grass or weeds to exceed ten inches (10") in height. Property owners & tenants are responsible for keeping their lawns mowed to the edge of the street and roadway. Only one notification per year will be made. Those in violation who fail to comply with City Ordinances are subject to citation, and/or having their property mowed by a City-hired contractor. The owner of the lot will be billed for the City's expenses in addition to an administrative fee. If the bill is not paid, interest-bearing liens will be placed on the property. Being proactive helps continue our effort to keep our city beautiful and clean. If you have questions regarding this or the Code of Ordinances, contact the City Building Official, Nader Jeri, at 817-710-2518.
