## Library News

### Texas Book Festival Grant Recipient

Congratulations to the Westworth Village Public Library on receiving the 2018 Texas Book Festival Grant! We were one of 48 libraries state-wide to be awarded this grant, which allowed us to enhance our Children's Non-Fiction and Children's Biography collections.

### July Summer Reading Program

#### Tuesday, July 3—DIY Instruments: Drums & Tambourines (2—3 PM)

Make your own instruments to take home and rock out! Ages +5

Science is awesome! Ages 8+

#### Friday, July 27—All About Animals (11 AM—12PM)

Learn up-close about fun animals! Ages 3+.

## Sergeant Coffey Retirement

Please join us on **Friday, August 3 from 3:30-5:00 PM** in the Westworth Village Community Room for a retirement party honoring Sergeant John Coffey. Sgt. Coffey has served the community for 12 years and will be greatly missed. Stop by and thank him for his many years of dedicated service to our city.

## Extreme Heat

High temperatures, like the kind we experience in the North Texas Region in the summer, along with high humidity, can cause heat-related illnesses which range in severity from mild heat cramps, to heat exhaustion, to potentially life-threatening heatstroke. For information on warning signs and symptoms of these conditions, visit <http://www.knowwhat2do.com/severe-weather/heat-drought-wildfire/>

## Alleyway Maintenance

We would like to remind citizens as the alleyway project reaches completion that:

- Property owners or occupants will be responsible for maintenance of trees and shrubs which overhang alleys or plantings, shrubs and trees planted by the adjacent property owner in the parkway. (Per City Ordinance 6.05.003)
- Street numbers are required to be displayed in a manner that is visible from the alleys, be a minimum of 3.5 inches in height, and in a color contrasting with the background (Per Fire Code and City Ordinance Sec. 5.04.002 - Sub Section 505.1)

## Eye On Water

**Reminder: The City is upgrading water meters to smart meters, which will allow residents to monitor their water consumption on a daily basis. This system will also eliminate the need for manual meter reading every month, as the meters will be tied directly to our water billing software. The anticipated completion date for all replacements is September 2017. You can access your new smart water meter with the instructions below:**

- Visit <https://eyeonwater.com/signup> on a supported browser
- Enter your service area zip code: **76114**
- Enter your billing account number in Beacon
- Enter your email address
- Create and confirm a password
- You will get a confirmation email from BEACON. You must verify your email address by clicking on this link. Once you do, you can sign in using your email and password.

For the list of supported web browsers please read:
