May 7th, 2021 General Election

The City will hold a General Election on Saturday, May 7, 2022 for Council Places 2, 3, and 4. Applications are available on the City website at www.cityofwestworth.com/election-information or in the City Secretary's office. The filing deadline for candidates is on Friday, February 18, by 5:00 PM. Contact Brandy Barrett for further information at 817-710-2526.

Melva Campbell Park

Work on Melva Campbell Park has been underway and it is starting to take shape with the anticipation that it will be open later this spring. As we move closer to this exciting and monumental moment in city history, we want to remind citizens that there is still an opportunity to make your mark in the park! If you would like to purchase an item for the park with a personal dedication included, we still have a wide variety of items at all price points available, ranging from bricks to trees to playground equipment. Visit <https://melvacampbellpark.givingfuel.com/melva-campbell-park> or stop by City Hall if you would like to donate one of these items.

Stay tuned to the newsletters and notification service to get more updates on when we will be having our grand opening ceremony and upcoming community events held in the park!

Keeping Carts Clean

Reminder: It is important to keep your garbage cart clean to limit odors and deter pests from making the bins their home.

Some ways to keep your bin clean are:

- To use a hose to clean it, or if there is too much build up, use vinegar and baking soda
- Never use chemical cleaning agents, as when they are drained they go into our storm and water systems.
- Make sure your trash is bagged tightly
- Keep the lid closed
- Keep inside a shed or garage until pick up day
- Consider composting food scraps instead

The Safe Outdoor Dog Bill

The Westworth Village PD would like to let our citizens know that SB 5, the safe outdoor dog bill, has passed and we will be enforcing these updated requirements.

This bill protects dogs and improves public safety by:

- Defining adequate shelter to protect dogs from exposure to extreme temperatures, standing water and ensures the dog can stand, turn around, and lie down.
- Requiring access to drinkable water.
- Prohibiting the use of chain restraints which cause pain and injuries.
- Striking the 24-hour waiting period so animal services and law enforcement can take immediate action for dogs in distress.

To view all of the requirements and exemptions defined by this bill, visit the city website's Animal Control page at <http://www.cityofwestworth.com/animal-control>

Childcare Network

The city would like to welcome our newest business, Childcare Network. After much anticipation, their doors are open and they are enrolling students. If you are interested in inquiring contact:

Childcare Network #333
