Permits & Utilities Departments

We have undergone some departmental changes at City Hall. The permits and utilities departments, which previously had one contact, are now being overseen by two people. As such, we would like to introduce our wonderful new employees, as well as update our citizens on the appropriate contact information for each department.

Permits

If you have patronized Hawks Creek Golf Club, you may see a familiar face in our permits window! The City would like to congratulate Alex Valadez on her promotion from Food and Beverage Supervisor at HCGC to the City's Permit Coordinator position! If you need any permitting assistance, she can be contacted at avaladez@cityofwestworth.com or at 817-710-2506

Utilities

We would also like to welcome Kimisha Rice, our new Utilities Coordinator! Kimisha comes to us after many years of service in Fort Worth. If you need any assistance with your utilities or requesting a service order from our Public Works team, she can be contacted at krice@cityofwestworth.com or 817-710-2505

These hearings are held in compliance with Section §102.0065 of the Texas Local Government Code to receive input regarding the following items:

The adoption of the Fiscal Year 2022-2023 Budget:

The proposed budget will raise more total property taxes than last year's budget by \$289,778.

The adoption of the 2022 Tax Rate

of \$0.475 per \$100 of valuation (no increase or decrease in the tax rate is proposed) however, the proposed rate will increase the total tax revenues collected by \$39,310 due to new properties being added to the tax roll. Your individual taxes may increase or decrease, depending on the change in the taxable value of your property. View your proposed rates online: www.tarranttaxinfo.com/tax or contact the City Secretary.
