City of Westworth Village
Permits Department
311 Burton Hill Road
Westworth Village, Texas 76114
Attention: **Tree Removal** Permit

PHONE: 817-710-2505

The City of Westworth Village Tree Preservation Ordinance protects the following species of trees that have a diameter of eight inches or greater measured at three feet above ground. The diameter of a multi-trunk tree shall be determined by adding the total diameter of the largest trunk to ½ the diameter of each additional trunk.

PROTECTED TREES:

Ash

Green Ash	Fraxinus pennsylvanica
Texas Ash	Fraxinus texensis

Elms

American Elm	Ulmus americana
Cedar Elm	Ulmus crassifolia
Lacebark Elm	Ulmus parvifolia

Maples

Bigtooth Maple	Acer grandidentatum
Caddo Maple (Sugar Maple)	Acer saccharum
Red Maple	Acer rubrum

Oaks

Blackjack Oak	Quercus marilandica
Bur Oak	Quercus macrocarpa
Chinquapin Oak	Quercus muehlenbergii
Live Oak	Quercus virginiana
Post Oak	Quercus stellata
Shumard Red Oak	Quercus shumardii
Texas Red Oak	Quercus texana

Others

Bald Cypress	Taxodium distichum
Black Walnut	Juglan nigra
Bradford Pear	Pyrus calleryana. Bradford
Cherry Laurel	Prunus caroliniana
Crabapple	Malus angustifolia
Eve's Necklace	Sophora affinis
Golden Raintree	Koelreuteria paniculate
Mexican Plum	Prunus mexicana
Pecan	Carya illinoensis
Redbud	Cercis canadensis
Southern Magnolia	Magnolia grandiflora

Attach 2 copies of SITE PLAN. Site plan must be to scale and include:

- North arrow
- Scale bar or scale description
- Surrounding existing street names
- Lot boundaries
- Location of all proposed buildings, drives, parking or other improvements
- Location of all utilities, easements and right-of-ways
- Grading plan, if applicable, including
 - Topography
 - Hydrology
- Aerial photos of site, if available
- Overlay on site plan with tree survey & legend, and table indicating each category- EXEMPT, SAVE, MITIGATE - each must be separately color-coded or symbolized and clearly demonstrate:
 - EXEMPT - Protected trees greater than 8 caliper inches desired to be removed (Include: size, species, and caliper inches)
 - SAVE- Protected trees greater than 8 caliper inches to be removed outside the footprint (include size, species, caliper inches)
- Description on how the existing healthy protected trees proposed to be retained will be protected from construction damage (Tree Preservation Plan)
- Landscape and/or mitigation plan
- Approved building permit (for commercial development) or final plat (for residential development)

All surveyed protected trees greater than 8" caliper inches on site should be identified using flagging, spray-paint or numbered tags. (Numbered tags or flagging on trees should match tree ID numbers on site plan).

Tree Surveys larger than 1 individual lot/parcel should be produced using accurate GPS or survey equipment

If only developing a portion of a lot or parcel, contact a Forester for artificial lot delineation and reduced survey requirements.

Provide separate tree list with the following information:

Submit 4 lists for protected trees (ALL, EXEMPT, SAVE, MITIGATE) that include:

- **Tree species**
- **Tree ID number (matching tags, flagging on site)**
- **Caliper inches of each tree**
- **Caliper inches total for each category**
- **Multi-trunked (2x, 3x, etc.) notation**
- **GPS coordinates, if applicable**

TREE-PROTECTION FENCING SHALL BE ERECTED before commencement of any construction, grading or filing.

IF YOU FAIL TO SUBMIT ALL APPLICABLE ITEMS ON THIS CHECKLIST, YOUR PERMIT PROCESS WILL BE DELAYED SIGNIFICANTLY.

PLEASE SAVE AS MANY TREES AS POSSIBLE.

Applicant's Signature _____

TREE PRESERVATION FEES

Title	Fees	Description
Application Fee	\$45	Per acre minimum one acre
Tree Removal fee with permit	\$200	Times the total diameter of specific tree removed
Appeals/Waiver	\$295	Per appeal/waiver
